Thelma gives me number five
Artistic soul and much alive,
Impetuous, impulsive too,
Temperamental--Thelma you
I never saw, but yet I say,
This is your way, day after day.
Mary gives me number three,
Twice as good as all bad in thee.
Given also gives the same,
You are real good, none can defame.
Yet all together bring me two,
Passion is most strong in you,
But Mary and the Given will
Protect you if you would fulfill
The destiny of life, dear girl,
You are a natural priceless pearl.
Your birth, as well, gives number three,
So if you're bad, again you see
You're twice as good as bad, my dear,
You are a woman who will cheer.
