

His Consulate  
Boston  
30th Sept. 67

Dear Sir -

Can you give me  
any idea of the number of  
days delay actually caused  
to the 'Cetacean' by the  
deviation occasioned by  
the affair of the 'Love Star' -  
I can probably arrange some  
compensation when informed  
on this point. I am glad  
to inform you that His  
Government have forwarded

H. E. Atwood Esq

To Japp Atwood, through  
his Government: a telescope  
which has been awarded  
him in recognition of his  
human conduct. & I am  
authorized to pay the sum  
of seven pounds Sterling (£7.)  
for the subsistence of  
the Lone Star's crew whilst on  
board - which I will do  
against the duplicate receipt  
of any of the owners of the vessel.

- If you send me this on by  
return of post I can settle it  
at once - otherwise it will  
have to go into next quarters  
acct -

I am dear Sir  
Yr. obedt Servt
