Hunting for Hunt furniture  
To the editor:

On Friday, June 6, members of the Town Art Commission: Diane Shumway, Georgia Coxe and Peggy Pritchett, along with Greta Holman, Town Clerk, and artists who worked with Peter Hunt; Nancy Whorf, Carol Westcott and Wendy Everett toured town buildings to verify the location of all the pieces of Peter Hunt furniture that had been moved from the Heritage Museum. The town Art Commission has been given the responsibility of caring for these artifacts that are a part of Provincetown's history. We will now compare our list with the master inventory list of items that were displayed at the Heritage Museum.
