

Saturday - June 15

Darling.

I was planning to leave today but here it is the first that the sun has come out! So I think I'll get all ready & go at 8 tomorrow morning - it is too beautiful to miss.

Crawley was paid here & I gave him a key. He will work on Tues. & Wed. & get into finished before we return. Ruth will be here Sun. thru Tues. Also gave him check for \$198 for the 3 days plus cement blocks.

Last nite Sedge took me out & we met Dodie & Adele Mailer & Bob Watson & Dutch who is just out, & Betty & Susan & Whitey & we all went to the A- House & danced - it was really very nice - Curt got ahold of me & wanted to talk about his future. He is sick of bartending & really wants to get into something here re. property. He is getting very strong on the idea & Hazel is not going back to her old job so they really have to make some decisions. He is very anxious to talk again with you re. property development up here. So when you return, I told him we would talk. Ricky Wells has indicated to me he wants to talk so we will. He & Hazel are fine - just undecided about what to do.

I was by Sam's yesterday & he had received a very nice letter from Johann. It was really thoughtful & rather mature. He was so happy to have had it. Now it looks

like the lumber yard may be sold - Joe O. is  
anxious & several people have been looking.  
Sam has a beautiful old chest he wants to  
sell you - for \$35 - a real beauty I would like to  
have it - he says "for your birthday"!

The sun is marvelous - at last! I have  
to take our Abby some salad greens. It is all  
so very good now.

Whitey is all set - has made a reservation  
for us <sup>at a motel</sup> Thurs. night in Fitchburg, & we will call  
them there when we get in.

Sam sent a couple by to see the house  
but they went to Truro instead.

Adelle is up here for the theatre group & tells  
me Diverca will be up for 2 weeks in July.  
Everyone misses you & asks for you. But I  
miss you most of all - I really do.

With Very Much Love,

Jeanne
