See The Owner

Editor The Advocate:

I don't know who in Provincetown belongs to that Civic Group, (Provincetown Civic Association). But I read in the October 9 issue of the Advocate that they have voted to ask the state to cut down the growth on the bushes on Miller Hill along Bradford Street so that passersby can have a view of the harbor from that height.

This is the first time I heard that the state had anything to do with those bushes or that land. I have a Registered Deed of that property and have been paying for the last fifteen years tax to the Town of Provincetown on that property.

So if they would like to have the bushes cut, why didn't they vote to see me, the owner.

At the present time I am on the West Coast in the city of Portland, Oregon, but expect to be back in Provincetown sometime the first of February 1961, and they can see me then if they care to.
