PILGRIM HOUSE PROVINCETOWN, MASS.

The Pilgrim House - - 1915

THE PILGRIM HOUSE HOTEL at 336 Commercial Street, perhaps best known to passersby for its Madeira Room nightclub, has been purchased by entertainer Lynne Carter from Manuel and Bernadette Brazao. Carter has been the headline act at the nightclub for several years. A press release from the hotel says, "Mr. Carter's plans for the hotel, which is the oldest in Provincetown, are to continue to run it in the same gracious manner as the previous owners...The American flag and the Portuguese flag will fly at the Pilgrim House Hotel as always." The terms of the sale of the hotel have not been publicly announced.
