*Dedicated To . . .*

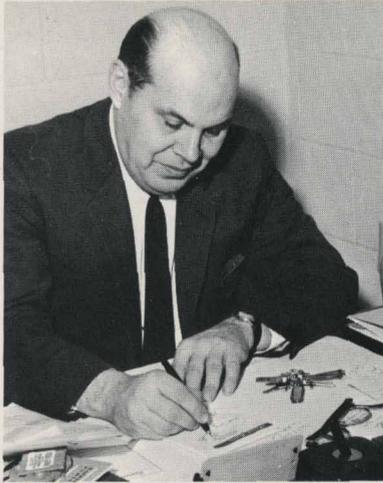

We, the class of 1966, dedicate this edition of the Long Pointer to

CAROL ANN JOHNSON

As a tribute to a former classmate who worked with us in our various activities.

# ADMINISTRATION

I wish to extend my congratulations to the seniors who are on the threshold of one of the most important milestones in their young careers. The world is large and the opportunities are many. Don't despair because you can accomplish all of your hopes and dreams if you are willing to persevere as you have done in the past.

I wish it were possible for me to counsel with each one of you but I am sure that your teachers, who know you more intimately, have set the example that you should exemplify all your lives. Bon voyage!

Arthur P. Malchman,  
Superintendent of Schools

I congratulate the members of the Class of 1966 on the successful completion of their secondary school education. The members of the class should, however, strive to further educate themselves and make use of their abilities and aptitudes to the greatest extent.

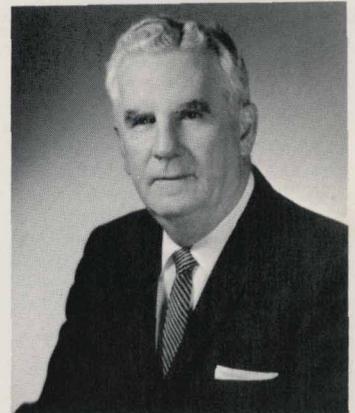

Our nation is in need of leaders in order to retain its position of world leadership. We cannot hold this leadership in the modern world without great resources of intellectual achievements of our people.

It is the flow of youth from our high schools, colleges, and technical schools which must supply this leadership in the future; and it is my hope that some of the members of the Class of 1966 will be among the contributors towards this valuable cause.

George F. Leyden, Principal

With each passing year the educational requirements for success in any field have become greater. I sincerely trust your graduation is only the first of many efforts to prepare yourself to meet the competition of a complex society. Develop the desire to succeed. Continue to bring honor to yourself, your parents, your school, and your community. It is my sincere wish that we have contributed in some measure to your successful graduation and have prepared you well to meet the problems you must face in the years ahead.

# CURRICULUM

Provincetown High School offers five programs of study --technical and classical college preparatory, commercial, household arts, vocational, and general. These courses provide a diversified curriculum to meet the needs of all the students.

The college courses are planned so that they provide the student, each year, with a background in English, mathematics, history, science, and foreign languages. Success in this field gives each student the necessary credits to enter college.

The commercial course is designed to assist students in preparing themselves for further education in the field of business. Among the subjects offered are stenography, typing, bookkeeping, and business mathematics. These courses, if studied as a terminal course, enable the student to immediately begin work after graduation.

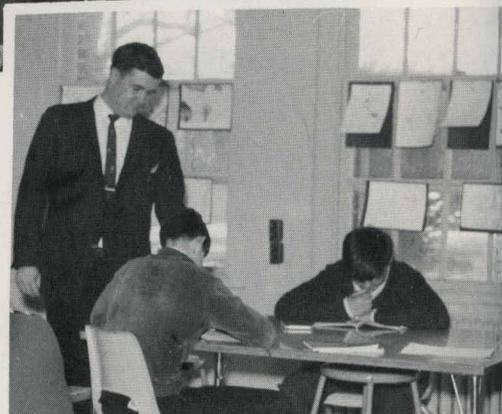

Another course offered is a general course which offers the student a more liberal high school education. The subjects included in the general course are arranged so that the student is sufficiently prepared for employment after graduation.

All these courses are flexible enough so that the students can choose electives in fields of personal interest, thus making a more rounded and stimulating curriculum. The physical well-being of the students is not neglected, for an extensive physical education program is required of each student.

Provincetown High School tries to instill in its students the ideals that will prepare them for future life and also enable them to be better assets to their community and their country.

Two vocational courses are offered. Household arts teaches the basic fundamentals of homemaking. Through courses in cooking, sewing, history, mathematics, and English, the girls are prepared to be successful homemakers and assets to their communities. For the boys that are mechanically inclined, Provincetown High School offers a complete course in automotive training. After graduating from this course, a boy is qualified to obtain a position as a mechanic.

# GRADUATION

Editorial staff: left to right: Shirley Shannon, Deborah Wilson, Editor-in-chief; Paul Benatti, Margaret Atwood.

## *A Beginning . . . Or An End*

Graduation can be a beginning or an end; it may bring triumph or defeat, success or futility.

The importance of graduation depends on the individual and his preparation for his future. Our preparations have been molded by the scholastic, athletic, and extra-curricular activities of our four years. Our opportunities have been such that if we cannot lead successful lives, then all our studies have been wasted and our activities have been superfluous.

If we do succeed, then our preparation has been done well. Behind our preparation are those who have given their help. Our parents, our teachers, our advisors, and our sponsors have worked with us and given us their knowledge to help us to attain our present position. For over a decade, we have been under their guidance, but now we must rely upon our own abilities. They have done all they can; the journey from here is ours alone, but with the foundation they have provided, we will continue unfaltering and triumphant.

# *SENIORS*

## SENIOR CLASS HISTORY

"So nigh is grandeur to our dust,  
So near to God is man,  
When duty whispers low, 'Thou must',  
The youth replies, 'I can'!"

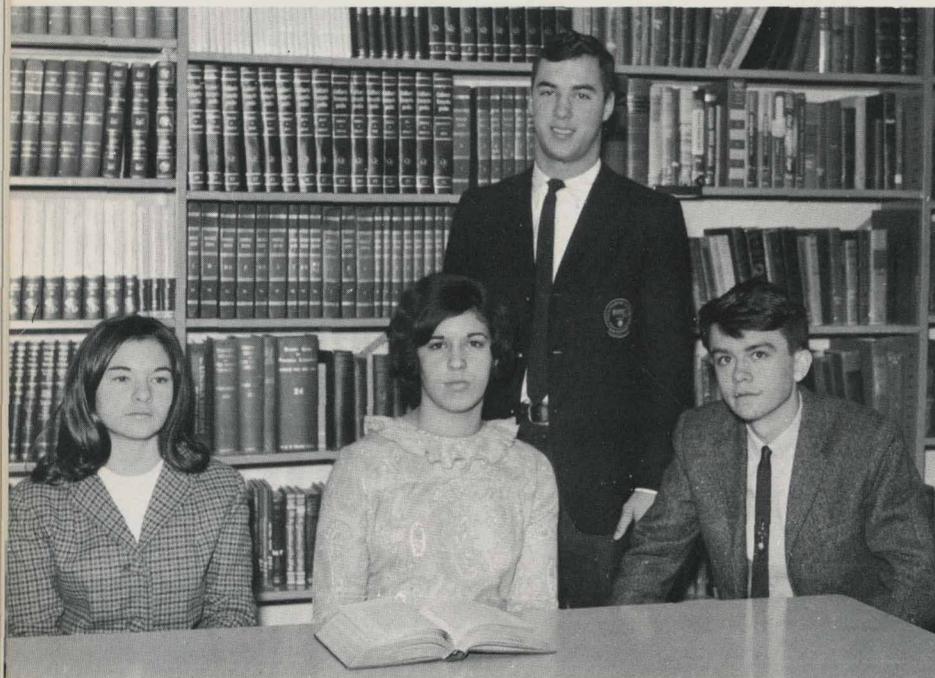

-Emerson

This phrase could have been the motto of the class of '66 throughout their high school years. In every activity they have come through and worked to reach high goals and success. Choosing freshman officers, the staging of a magnificent Prom, and the rewards of college acceptances are a few of the challenges the class of '66 has met.

Four years ago the "small fry" of the school set out on their task of meeting the high school challenge, when they elected Steven Roda, president; Dorothy Fritz, vice-president; Helen Thomas, secretary; Denise McGinn, treasurer; Carol Days and Mike Coelho, student council members; and Mr. Robert Callary, class adviser.

# SENIOR CLASS OFFICERS

Left to right: Margaret Rivard, treasurer; Helen Thomas, secretary; Anthony Souza, president; Steven Roda, vice-president.

## (HISTORY CONT.)

This first year was the time for introduction and the foundation for all the future challenges of high school. We trained ourselves to excel in music, sports, and scholastics. We became determined to do the best in everything we undertook.

The highlight of that year was the Freshman Reception. Looking back, we can recall how shy and nervous we were, wearing our miniature baby bottles, gifts from the seniors. We were nervous throughout that year, but we overcame our obstacles and continued to become sophomores.

The sophomore year brought many chances for failure, but our determination won, and in our cake sales that year, we made record highs. Our leaders that year were Anthony Souza, president; Charles Rogers, vice-president; Helen Thomas, secretary; Paul Benatti, treasurer; Carol Days and Mike Coelho, student council; and Mrs. Phebe Rogers, class adviser. The class prospered under their guidance and began hopeful plans for the Junior Prom and class trip.

As juniors, we were equally as prosperous under the leadership of Anthony Souza, president; Steven Roda, vice-president; Helen Thomas, secretary; Denise McGinn, treasurer; Halcyone Hurst, John Edwards, and Mike Coelho, student council; and Mrs. Phebe Rogers and Miss Kathleen Medeiros, class advisers.

Cake sales, candy sales, suppers, and raffles brought us together once again and made our Prom dreams a reality. The night of "Twi-

light Time" was an evening of splendor for the class of '66. The music, the brightly colored gowns, the simple, dignified decorations added to make ours "a Prom to top all others". It was an achievement on which we could look with pride. Once again, we had met and overcome the challenge.

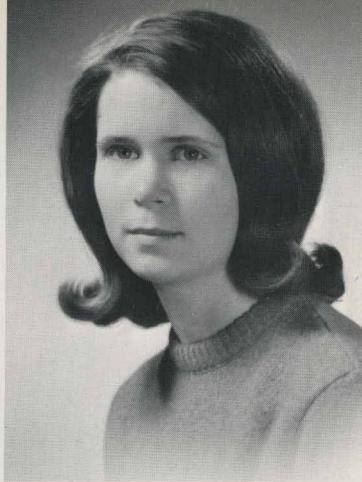

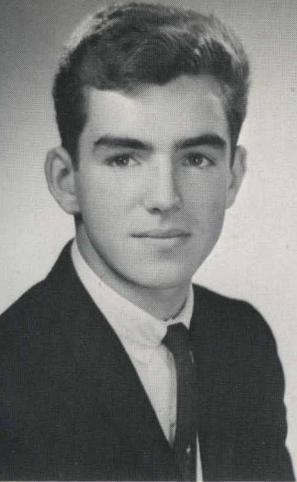

June brought a graduation and the realization that we were now the seniors of P. H. S. In September, we deliberated and again made decisions as to our class officers for this last, yet most important, year.

We continued under the leadership of Anthony Souza, president; Steven Roda, vice-president; Helen Thomas, secretary; Halcyone Hurst, John Edwards and Mike Coelho, student council; and added Margie Rivard as treasurer. Class adviser, it was agreed, would be Mr. Elmer Silva.

Our first major task, which we again tackled with outstanding success, was the Freshman Reception. "Babes in Toyland" developed into a wonderland for the school's "babies".

Yearbook deadlines, senior portraits, invitations, graduation, all became major tasks for the class of '66, but each was overcome. In a few more weeks, the class of '66 will be sixty-four individuals in a new world. No longer will we be a group, but our goal will always remain. "When Duty whispers low, 'Thou must'", the class of '66 will answer, "I can".

# SENIOR CLASS PROPHECY

## CLASS PROPHECY

The gang is here together;  
Twenty years have gone by fast.  
The achievements that they've all made,  
We're very sure will last.

Some have stayed in Provincetown  
Others have travelled far  
In hopes that each would find  
His very own wishing star.

They surely were a lively group  
Who struggled very hard.  
To see what they are doing now  
Just listen to this yarn.

Peggy Atwood  
Edward Boxei  
Carol Days  
Regis Jason  
Steven Roda  
Charles Rogers

Peggy our old classmate,  
We hear is riding high.  
Now she's a professional student,  
Still attending U. R. I.

Richard owns a bakery  
Known in many parts.  
We always knew this would bring him fame  
For his speciality was "tarts."

Kathy went to beauty school.  
She learned her lesson there.  
One day she had the iron too hot  
And burnt a patron's hair.

Richard, known as Khrushchev,  
Once tinkered with his cars.  
He built his engine up so much  
It got him behind bars.

Joey Trovato tied the knot  
Many years ago.  
Gail and Joe were happy then  
And we know that it's still so.

You all remember Craig  
The life of our shorthand class.  
He took a trip to Scotland  
In search of his "Bonnie-lass"

Irene McKay is married now.  
And though she still worships her brush,  
To every place T. Bonza goes  
She is always sure to rush.

Eddie went into business  
And never got cold feet.  
Maybe that's why he succeeded  
In controlling all Wall Street.

John with his black Valiant  
Has gone through many stops,  
But a day came when he couldn't escape  
One of the Eastham cops.

Francis got his wish;  
He's destined just to wander,  
But he won't have to walk  
For he has a mighty Honda.

Debbie is a social worker,  
And much time she has spent  
In going on to college  
To learn child development.

John became an actor  
Which is really quite alarming.  
He's now starring at the Metropolitan  
As the male lead in "Carmen."

Mike became an accountant  
At Lands End Marine.  
He used to drive a truck  
But now he's seldom seen.

Here comes a big black limousine  
And ole Brad's in the back.  
He's found someone to drive for him  
His beat-up Cadillac.

Anthony wanted fame;  
He wanted to be a star.  
In order to get the lime-light  
He bombed the U. S. S. R.

Nick is still inseparable  
From his pair of pliers.  
Now instead of working with cars  
He's joined the Air Force Flyers.

There is Anthony Leonard,  
Known to us as "Vamp;"  
He met many girls  
Before he made his camp.

Jimmy was an acrobat  
Who worked out on the horse,  
But now he's switched to skindiving  
To be with Yvonne, of course.

Ralphie is a hunter  
Who goes to Maine each year.  
He still is on detention  
But he always gets his deer.

There's Linda Carter  
A whiz on the basketball court.  
She still doesn't jump too high,  
Could it be because she's too short?

Glenn, the restaurant owner,  
His wish he did obtain.  
He bought a brand new Mustang  
And with it social fame.

Carol's now called a Registered Nurse  
Her diagnosis will always be read.  
However, when asked about "fallen arches"  
She said, "Take an aspirin and go to bed."

Well, there goes Joey Days,  
He finally got his call.  
He now has bought a pair of stilts  
So he can play pro ball.

Shirley, who in creative writing,  
Could put us all to shame,  
One day wrote two bestsellers  
Which won her great acclaim.

Yvonne, once our A & P checker,  
Knows Jimmy's her cup of tea,  
And if she makes his life better,  
His wife she'll someday be.

There's Liliana deSouza  
Our student from across the sea.  
She has no desire to return  
Because she's stuck on her Steve.

Melba has just left  
She's off to a distant land,  
But again like always  
Janie leads her by the hand.

Who's making the sport headlines?  
Yes, it's our old star "Bear."  
Why don't the others tackle Mike?  
Because they just don't dare.

Roger, the delivery boy  
Is happy as a lark,  
Because he quit Bert Perry's  
To join the National Park.

Well, look at Donald Edwards  
Who has gained world-wide cooking fame,  
Because of all his recipes  
That have put other cooks to shame.

There's Joe Carreiro smoking  
Hasn't learnt his lesson yet.  
There's Joe Carreiro choking  
On his favorite cigarette.

And now we come to Chucky  
Who took after his kin.  
He is now the head chef  
At the Provincetown Inn.

Dot still gets the rebounds  
And you can hear the crowd say,  
"Shoot, Dot, shoot!  
You're only sixty feet away!!"

Kathy DeRiggs in Greenwich Village  
Is still a starving artist  
She hasn't reached success as yet,  
But she'll always try her hardest.

Halcyone found a gold mine.  
She bought her car with cash.  
She used to ride alone  
But now she rides with "Tash."

There's Steve driving down the street.  
Not married to Lil as yet.  
"Who needs a girl anyway?" he cries,  
"I've got my own Corvette."

There's Margie Rivard, poor, poor girl  
She ran into a little bad luck.  
She forgot her bookkeeping knowledge  
And is driving the Whittings Milk truck.

Albert is a football star  
The best of all line backers,  
And now he is playing ball  
For the Green Bay Packers.

Gail is very happy.  
She has her "vokie boy."  
Keeping house for Joey  
Has been her greatest joy.

Collen in his old age  
Learned to drive with care,  
And keep his eyes open  
For the cycle that wasn't there.

Wayne became a surfer  
You'll find him on the sand.  
A shark scared him off one day  
And now he stays on land.

Jane is running Shoreline Village  
That favorite Beach Point spot;  
She had a change of heart one day  
And turned it to a parking lot.

Robin became an artist,  
Which gained her well-known fame,  
By drawing many pictures  
And forging Picasso's name.

Leo has become a great debator.  
He always has a lot to say.  
He'll hold to what he believes  
Until his dying day.

Praise should go to quiet Denise  
Who is an unknown poet.  
It's not our fault she was modest  
And wouldn't let us know it.

Town Father, Geoff Kane  
Has got the bad habit  
Of looking at the weather vane  
To find his way from Pamet.

Look at that top-notch secretary  
I do believe it's Sandy.  
Her years under Miss Medeiros  
Have come in very handy.

Louie went to Becker  
Where he became a C. P. A.  
He's gained much success  
Working down Chelmsford way.

Say, there's Clarence.  
He's never been the same,  
Since he got his license  
I wonder who's to blame.

Mike went into English  
In this he was well taught  
And under Mrs. Rogers' influence  
His masters he has sought.

Paul, the class astronomer,  
Still gazes at the stars.  
I'm sure he'll find his love someday  
Though it may be on Mars.

Do you remember Charlene Burton  
Who travelled far and wide?  
She's still going round the world  
As a millionaire's new bride.

Helen is now a teacher  
Her pay is high they say.  
She makes her students happy  
By teaching a "motto" a day.

Charlie found security  
But with an added feature.  
He goes around from school to school  
As a singing history teacher.

Steven, our musician  
Who we thought would go far,  
Is still stacking bottles at the A & P  
To earn his new guitar.

Joyce, the Vespa speedster,  
One day from a scooter did hop.  
Now we hear she's doing well  
For she owns a Honda shop.

Do you remember Floran  
Whose eyes were full of stars?  
Well, she and her favorite Martian  
Now are living on Mars.

David with his freckles,  
Which earned him the name of "Dots,"  
Is posing as a quarantine sign  
To ward off chicken pox.

Joey with his beating drums  
Cut his hair one day,  
Like Samson, with his hair shorn off,  
He could no longer play.

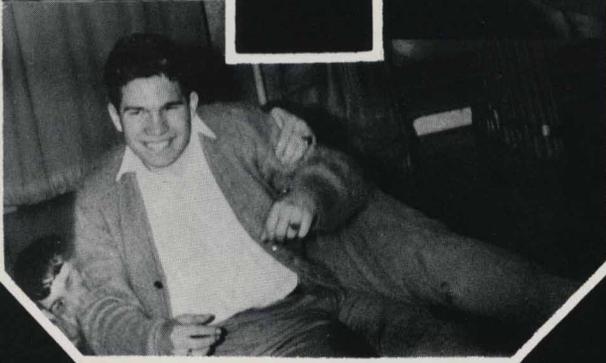

Judy, our basketball star,  
Finally got her wish.  
Sandwich we did defeat  
And all she heard was "swish."

Warren through an inheritance,  
His own garage did get.  
He charged ridiculous prices  
Which kept him out of debt.

In teaching small children  
Regis found her real vocation.  
She taught them the three R's  
And the need for a great nation.

Mag finally got her wish  
She got Dickie to set the date.  
They now are very happy;  
I guess it must have been fate.

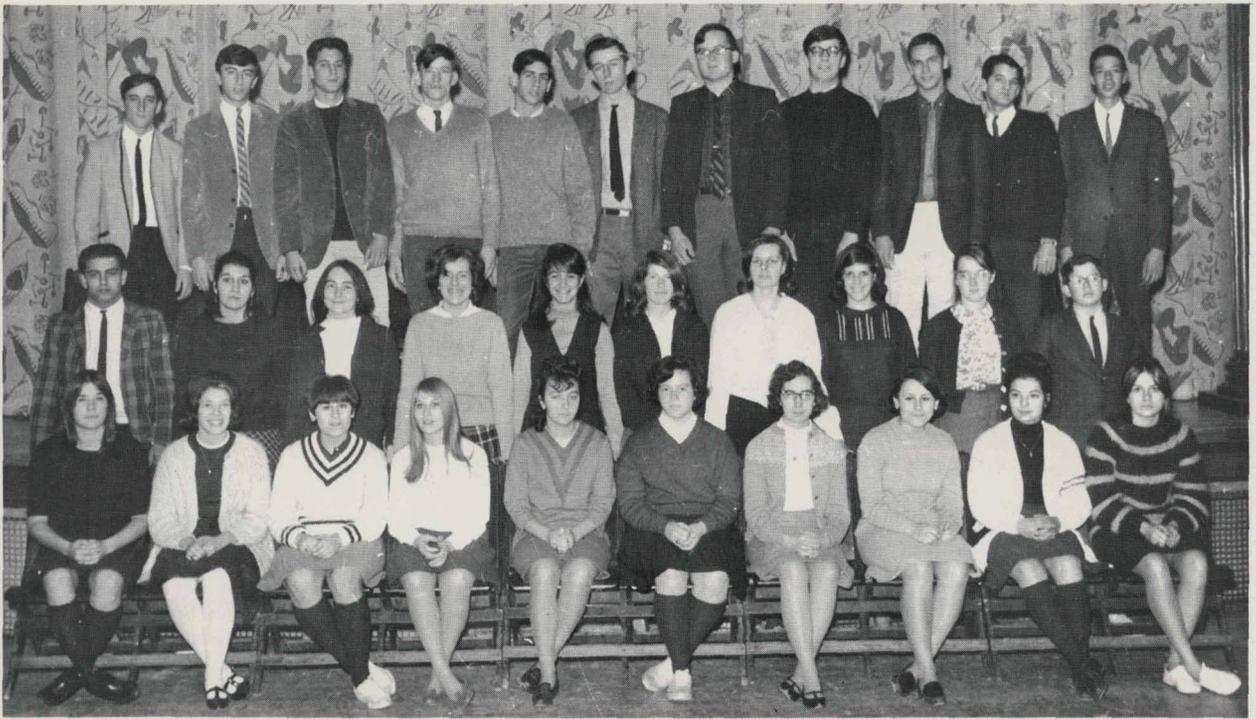

Finally we come to Janie  
Who really was too quiet  
It never hurt to speak up more  
She really ought to try it.

# THE JUNIOR CLASS

## CLASS HISTORY

Well, we're almost to the top,  
 Just one more year away,  
 Waiting for sixty-seven  
 And graduation day.

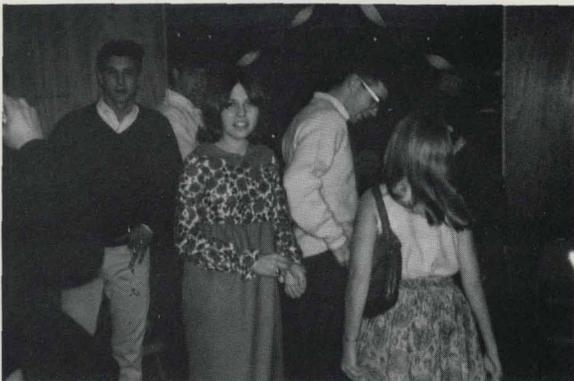

Our memories are mounting up,  
 Our friendships growing strong,  
 Our class is working together,  
 Our school days aren't for long.

We started out in sixty-three  
 As freshman on the go,  
 With our officers Yvette, Yvonne,  
 Ray, and Kathy Jo.

Our Freshman Reception was a night  
 Which everyone recalls;  
 It finally marked our acceptance  
 Into P. H. S.'s halls.

Yellow and white were our colors  
 In our freshman year.  
 Mr. Carreiro was our adviser;  
 He helped us make it here.

Our freshman year we'll all recall  
 In many years to pass,  
 As the beginning of many memories,  
 And our beginning as a class.

We entered school as sophomores  
In nineteen sixty-four,  
With the twins, Kathy Jo and John;  
Could we ask for any one more?

With Mr. Carreiro our adviser,  
Who helped our class begin,  
And green and white our colors,  
We owe this all to him.

The basketball team possessed  
More than one sophomore star.  
Throughout their entire season,  
They played right up to par.

Mary on the cheering squad  
Sparked spirit to the team.  
With "Go, team, go!" or "Fight, team, fight!"  
She kept them on the beam.

And then in sixty-five  
Do you realize that's now?  
We made the title juniors,  
(With diligence, that's how).

With Kathy Jo, John and Pat,  
With Yvonne and all the class,  
We'll make this year a big success  
For every lad and lass.

Mr. Carreiro, our advisor again,  
Helps us strive toward a common aim.  
Red and white our colors now,  
Proving that we can earn our name.

A night the class all awaits  
Is the night of our Prom in May;  
With great anticipation,  
We're looking towards this day.

The parties, the dances,  
The laughter, our friends,  
The winter snow, the summer sun,  
It's almost to an end.

The football games, the raffles,  
The money-making schemes,  
The Junior Prom, our future trip,  
And all our hopes and dreams.

These will make our memories  
Of our high school days,  
Something we will cherish,  
As we go our separate ways.

## THE SOPHOMORE CLASS

As the anxious sophomore class of Provincetown High School entered the building for the first time this year, we realized the seriousness of our advance from freshmen to sophomores.

For a moment, let us return to the beginning of our freshman year. At that time, we elected the following class officers: Catherine Fritz, president; Kim Rilleau, vice-president; and Kathy Silva, secretary-treasurer. John Encarnation and James Roderick were chosen to be our student council representatives; and Mr. Paul Boire accepted the position as class adviser. Our first activity, the Freshman Reception, was a big success.

In our first few weeks as sophomores, we chose the following people as class officers: Catherine Fritz, president; Kim Rilleau, vice-president; Evelyn Ward, secretary; Paula Tasha, treasurer; and Susan Leonard and Anthony Jackett, student council representatives. This year, we elected Mr. Thomas Kane to be our class adviser.

We have our share of hard-working athletes on the football, basketball, baseball, softball, field hockey, and track teams, as well as supplying four enthusiastic members to the cheerleading squad.

In the coming years, we hope to look back with pride on our high school days. In the meantime, however, we must work hard if we are to achieve our final goal.

Michael Fields '68

# THE FRESHMAN CLASS

The Freshman Indians wandered into strange territory on September 8, 1965. We put down our arrows, bows, and memories of the summer fun, to look ahead at our freshman year.

To start us on our road to peace and progress, we elected our chiefs: Peter Taves, president; Michael Andrews, vice-president; Eileen Davis, secretary; and Carol Ward, treasurer. Deborah Andrews and Edmund Reis were elected to represent us on the Student Council. At our first class meeting we voted Mr. Thomas Deffley as our class adviser.

To welcome us to the high school, the seniors gave us our Freshman Reception early in

October. It was held in our gymnasium, which was beautifully decorated with a "Babes in Toyland" theme. The high point of the evening was the Grand March, which was led by Eileen Davis, freshman class secretary and Anthony Souza, senior class president.

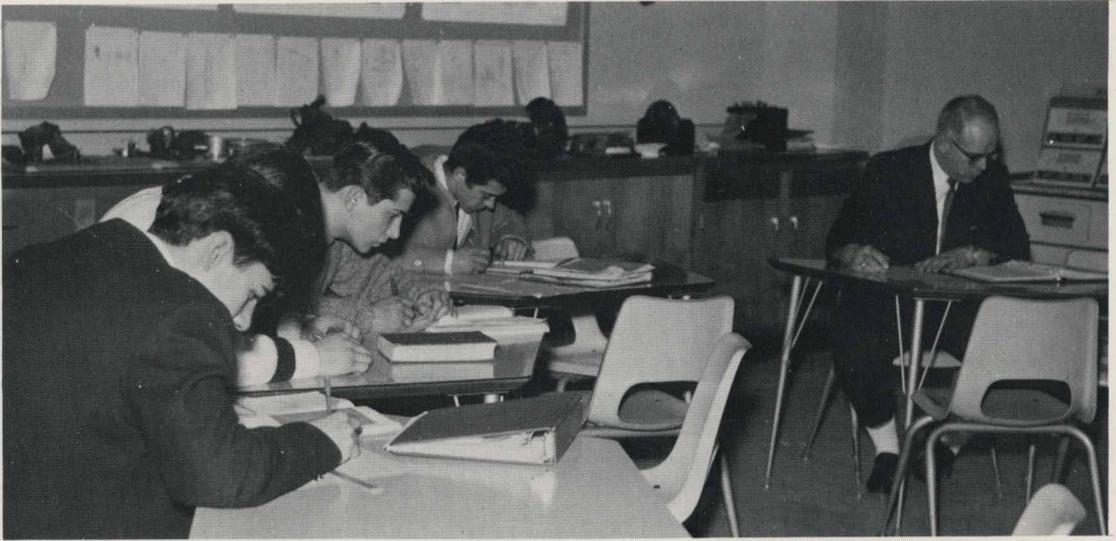

We have three freshman boys on the football team; Gerard Menagas, Edmund Reis, and Peter Taves.

Of the eight cheerleaders of P. H. S., the Freshman Indians lay claim to Beverly Days.

Now that you have some information about our small peace-loving band, I know that you will want to smoke our peace pipe with us.

SENIORS

## *PROVINCETOWN . . .*

A wise man once said that experience is the best teacher. Our vocational program is based on this principle. We, as students in this program, are being prepared for the competition which will face us in industry after graduation.

The vocational program calls for a full day's work from each student. Every other week we study mechanics through practice similar to a real work situation. On the alternating weeks our day is filled with four periods of related subjects which include drawing, science, math, and theory, along with two periods of English and one period of history.

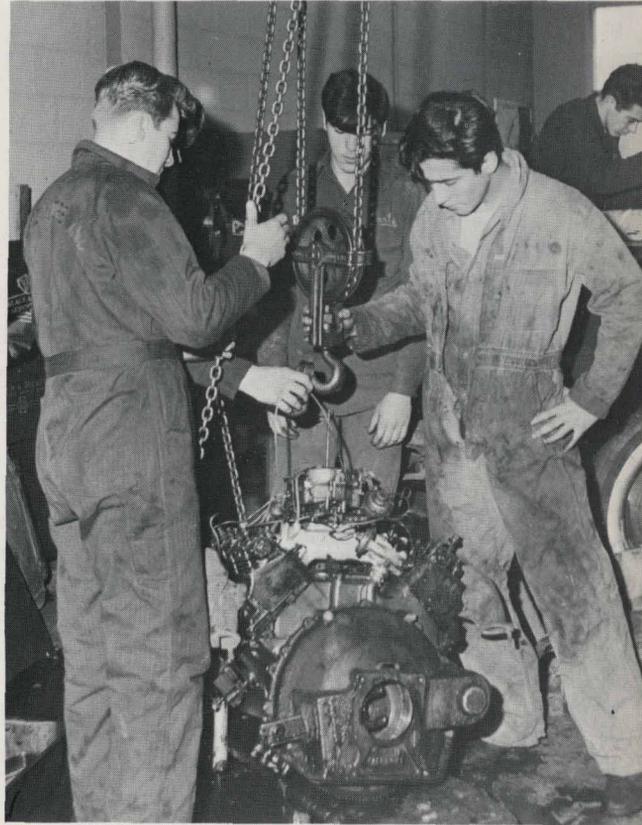

Through this program the students are taught safety habits, discipline and respect for authority, actual experience, related subjects, English, history, and proper study habits, all of which will be needed to fill our roles in industry upon graduation.

We, as students in this program, are governed by the same rules as govern our high school counterparts plus many State Dept. of Education Rules. These require a standard of behavior and scholarship more exacting than commonly thought.

As we finish our school years, we would like to thank Mr. Kendall Knowlton, Mr. Clifford Silva, and our new English and history teacher, Mr. John O'Brien for their invaluable help and assistance and to express our thanks to all those in the school system who have aided us.

## *"A TWILIGHT TIME"*

May 14, 1965, may seem insignificant to many, but to the Class of '66, it was the realization of a dream. The outline of a city, the bright silver moon, swaying crepe paper, blooming flowers, and star laden ballons hanging from the center of the ceiling, transformed the once barren hall into the wonderous paradise of "Twilight Time."

At 9:30 with the aid of Charles Faria and his band, the couples met beneath a flowered-covered trellis and walked down a decorated stairway to begin the Grand March. The march was well-executed with the formation of a spiral, hourglass, and a "66". We then danced to our theme song as we nervously awaited the announcement of the king and queen. Floran Menangas and Anthony Souza were chosen as the royal couple, with Peggy Atwood, Carol Days, Margie Rivard, Jane North, and Kathy DeRiggs as members of the queen's court.

All too soon, however, the clock struck one to end an evening that will always remain a cherished memory of the Class of '66.

Carol Days '66

## "BABES IN TOYLAND"

For the first time in the history of P. H. S. the Freshman Reception was given a theme, "Babes in Toyland." The freshmen didn't at all resemble babes, but the gym, decorated in honor of the freshmen, had been transformed into a toyland. Green and white streamers hung from the ceiling, and toys, dolls, and stuffed animals were arranged on the sidelines.

While refreshments were being served,

parents, friends, and classmates danced to the music by the Charles Faria band.

At 9:30 p.m. the nervous freshmen lined up for the Grand March, which was completed carefully and quickly. When eleven o'clock came and everyone began to leave, the seniors were pleased because their dance had been successful, and the freshmen had enjoyed their welcome into the high school.

## P.H.S. FOGHORN

As many schools have school newspapers, so too, has P. H. S. The P. H. S. FOGHORN is published three times a year as a part of our two local papers, the ADVOCATE and the BEACON. The editorial staff is comprised of juniors under the supervision of the English department, headed by Mrs. Phebe Rogers, Mr. Thomas Deffley, or Mr. Paul Seeley, and the literary staff is made up of members from each class.

Our little paper has become increasingly popular, and perhaps with a little more cooperation from the students, could be expanded into a larger edition.

Seated left to right: Halcyone Hurst, Michael Coelho, Mr. David Murphy, faculty advisor; Deborah Andrews, Elaine Roderick, Thomas Jackett, David Dutra. Stand-

ing left to right: Bruce Collinson, Raymond Souza, Frank Davis, Frank Reis, Anthony Jackett, Edmund Reis.

## *STUDENT COUNCIL*

On October 27, the Student Council, with new ideas and fresh spirits, gathered together to get the ball rolling for a profitable season. At our first meeting we elected the following officers: Michael Coelho, president; Halcyone Hurst, vice-president; Susan Silva, secretary-treasurer; and Susan Leonard, historian.

At present, we are hoping to reach the goal of building a better relationship between the students and the faculty and school committee. This is the prime purpose of the Student Council, but is sometimes completely overlooked by our fellow classmates. We are merely representatives of all the different classes and are elected to act as spokesmen for their problems and suggestions.

Past accomplishments of the Student Council have included incorporating the class ring into the standard school ring, adopting a school seal, building a nucleus for the original All Sports Night program, giving this program financial support should it be needed, and setting down the basic rules for dress, which have been revised and enforced by the school committee. We have always volunteered our services at all school functions such as open house, athletic events and dances.

Our aim this year is the maintenance of our school building. We hope to see that the students will take pride in our school and do their best to keep our building neat and attractive.

For the future, we can only hope that the Student Councils that follow will attain the goals we were unable to attain, and will strive for a stronger government by the students.

## *THE P.H.S. BAND*

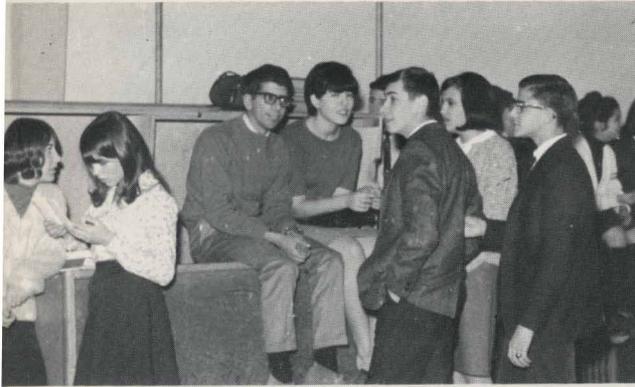

Every Monday morning one can hear the sound of instruments tuning up. This is our small but industrious band, preparing for practice under the capable direction of Mr. Roger Dias.

The band plays for our school assemblies, Class Day, Graduation, and Awards Night, and some members have the distinction of playing at the Cape Cod and New England Music Festivals. The students who play for the latter activities are a select group chosen on the basis of their musical ability.

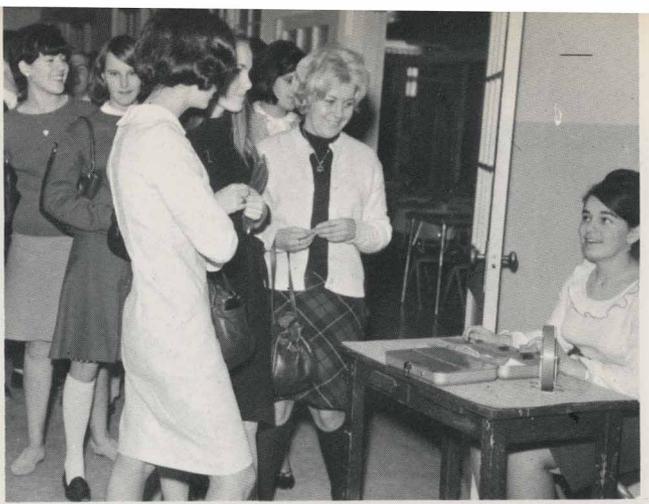

The members of the band are industrious, and includes some members who hope to make a career of music. The weekly practices do much to improve the playing ability of the members, and individual meetings bring the band to top performance.

Despite the fact that the band will lose seven members who will be graduated in June, the organization will maintain its high standards and continue to contribute to the activities of P.H.S.

# FOOTBALL 1965

Provincetown High School opened its 1965 football season, playing Hanover High at Evans field on Saturday, September 26. Led by Mike Walsh, Hanover's power-running halfback, Hanover defeated us 28-0.

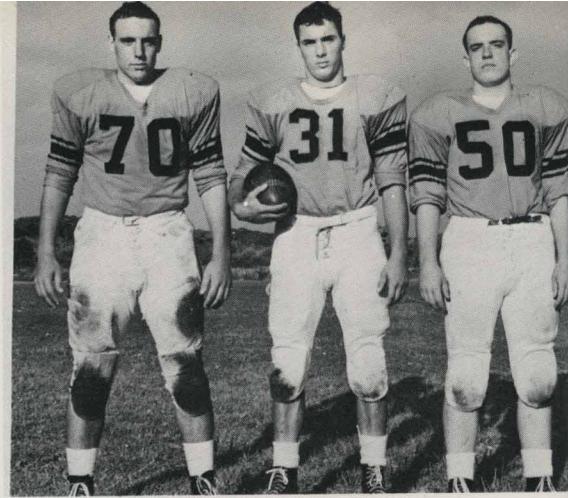

The following Saturday we hosted Nantucket and defeated them 12-8, posting our first win of the season. With an Anthony Souza to Mike Rego pass and a beautifully executed trap play with David Oliver carrying, we managed to put 12 points on the scoreboard. Although Nantucket scored in the closing minutes, we held on for the win.

We were the home team for our next game, hosting Apponequet Regional High. This game proved to be a real cliff hanger. Behind 7-6 at half-time, we managed to pull it out of the fire with a Souza to Manny Motto touchdown toss. For the second consecutive game, our tough defense held on to win in the closing minutes of the encounter.

During our next game at Martha's Vineyard, we scored 22 points in one quarter, which proved to be our biggest offensive explosion. The first score was the result of a Souza to Motto pass. Tasha and Rego each managed to tally a touchdown to account for the big three in one quarter. Arthur Reis and Mike Rego each received 2 points also; Reis on a Souza pass and Rego on an end sweep. Again, the defense held on and the final score read Provincetown 22, Martha's Vineyard 15.

Our next encounter proved to be a real hair-raiser. We traveled to Dover to play Dover-Sherborn Regional High and defeated them 28-24 after being down 24-6 at half-time. Souza tossed two touchdown passes to David Oliver and Mike Rego broke through the middle of the line for the other.

Seated from left to right: Michael Santos, Clarence Santos, Louis Rivers, Tri-captain Anthony Souza, Tri-captain Michael Coelho, Tri-captain Albert Moon,

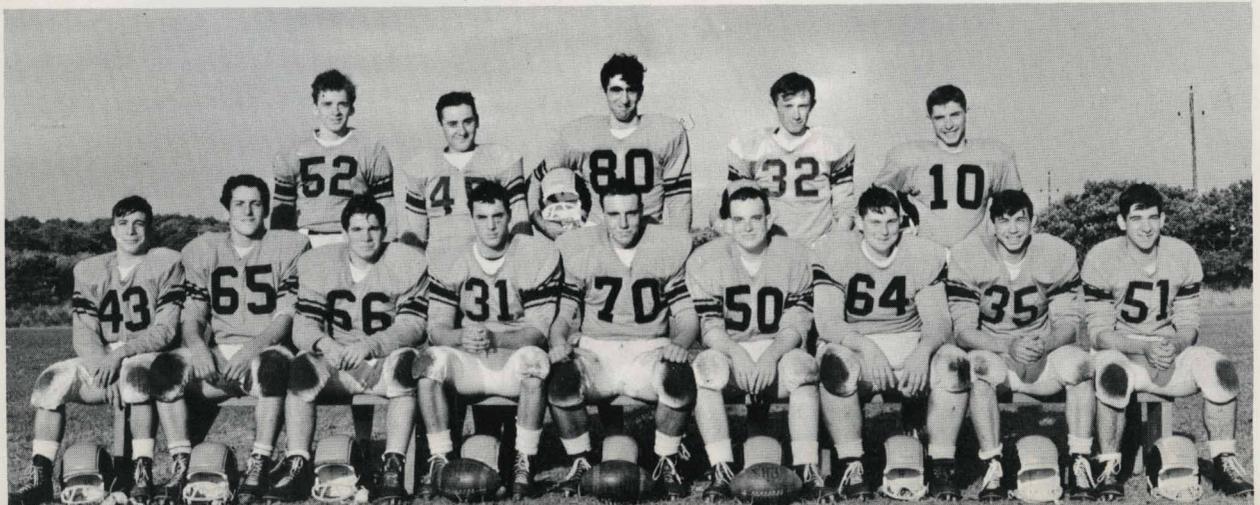

left to right: Tri-captain Michael Coelho, Tri-captain Anthony Souza, Tri-Captain Albert Moon.

Seeking our fifth straight victory, we traveled to Nantucket for a return match with the Nantucket Whalers. After taking a 6-0 half-time lead with Oliver crossing the goal line again on the same trap play, Nantucket gained an 8-6 lead in the third quarter. In another comeback win, we scored in the closing minutes with Souza hitting Motto with a touchdown strike.

The following Saturday, we again defeated Martha's Vineyard by a score of 22-0. Since this was our first shut-out and we controlled most of the action, it was definitely our best game. Souza hit Motto on a 45-yard touchdown toss and swept the right end on a 21 yard touchdown jaunt. Mike Tasha scored the other touchdown on another sweep. Tasha and diminutive halfback Mike Santos each scored on two-point conversions.

In the final game of the season for both teams, Provincetown traveled to play its arch-rival, Dennis-Yarmouth Regional High School. In a hard-fought and well-played game, D-Y scored in the first half to take an early 8-0 lead. In the third quarter, we bounced back scoring on a Souza option play but Dennis-Yarmouth, scored again, and held on to win 14-6. We ended our season with a fine 6-2 record.

Charles Rogers, Joseph Carreiro, Craig Russell. Standing left to right: Donald Edwards, Bradley Caton, Leo Gracie, David Oliver, Michael Tasha.

All our successes were snowballed around a one word nucleus-"Goveia." Head coach, Mr. Stephen Goveia, and his assistants, Mr. Paul Boire and Mr. Paul Seeley, stayed up late nights studying football and worked right with us on and off the field. Our coaches initiated a well-functioned Booster's Club. The senior members of the team will never forget their last year playing football for Provincetown High School. We owe all of our success and honor to our unselfish coaches Mr. Goveia, Mr. Boire, and Mr. Seeley; as tri-captain Mike Coelho says, "We love them."

At this time as members of the 1965 football squad, the tri-captains would like to thank the citizens of the town who followed and supported us and the school authorities who allowed us to continue to play football.

# FIELD HOCKEY

SEATED Left to Right: Cathy Fritz, Candy Cabral, Ann Encarnation, Debbie Andrews, Yvette Roderick, Mary Fritz, Gloria Meads, Cathy Fratus, Cynthia Souza, Susan Leonard. STANDING Left to Right: Coach Miss Eliza-

beth DeRiggs, Roxanne Cook, Kathy Ferguson, Cindy Slade, Kathy Kacergis, Yvonne Roderick, Susan Silva, Sharon Roda, Debbie Fields, Captain Judy Vizard, Cindy Meads.

The fall of 1965 brought a new sport, field hockey, to the girls of P. H. S. Shortly after we had returned to school in September, and under the leadership of Captain Judy Vizard, we entered into competition with six other schools.

First on the schedule was Dennis-Yarmouth. After only a few days of practice the big day arrived, our debut of a completely new sport. We lost with a score of 5-0. Although the figures were not impressive, we picked up many tricks of the game and gained necessary experience.

Next we traveled to Falmouth. We won! With a score of 2-1 the team brought home a well deserved win. By this win we hoped we were on our way to bring home still more victories.

Encouraged, we took on Harwich. By defeating Falmouth we must have become confident because when the final whistle blew the score was 2-1 for Harwich.

Alas, Barnstable. Could it have been the long tiresome bus ride, the cold or just the team's low

spirits and lack of energy? Well, anyway, we lost to Barnstable with a score of 9-0.

We were determined to do better with our next game even though it was against Nauset, the leader of the league. We scored the first goal and were fighting all the way until the fourth quarter ended 4-2 in Nauset's favor.

For the last game of the first half of the season, we played Chatham here. It was nip and tuck all the way, although Provincetown had control of the ball most of the game. It ended in a disappointing tie, 1-1.

The second half started with Provincetown traveling to Dennis-Yarmouth. It was another one of those games-very listless. Consequently we lost 5-0, the duplicate of our first encounter with D-Y.

Because of bad weather, our Falmouth game was cancelled. We were disappointed because we had high hopes of winning.

Playing Harwich at Harwich the game ended with a scoreless tie.

Our next game was with Barnstable. We were determined to make amends for our last game with them and we did. Shocking them completely, we kept them down to two points only, ending with a 2-0 score.

Enthusiastically we played Nauset at home but after an extremely well-played game, the score was 1-0 in Nauset's favor.

To end our season in a fitting manner, we defeated Chatham on their home grounds, 2-0.

The record for our first year of field hockey was 2 wins, 2 ties, and 7 losses.

Although we were a completely new and inexperienced team, with the excellent help of our coach, Elizabeth DeRiggs, and our own determination and fighting spirit, we are proud of our record and feel confident that we will bring home more victories next season.

## CHEERLEADERS

The first activity of the cheerleaders this year was to travel to Andover High School for the annual National Cheerleaders' Association Clinic. At the clinic we were taught our basic training for basketball and football cheers.

As the 1965 football season started, we presented a pep rally, a car rally, and a bon fire on September 24. All three were tremendous successes, and every-one was filled with school spirit.

The cheerleaders for the 1965-1966 season are as follows:

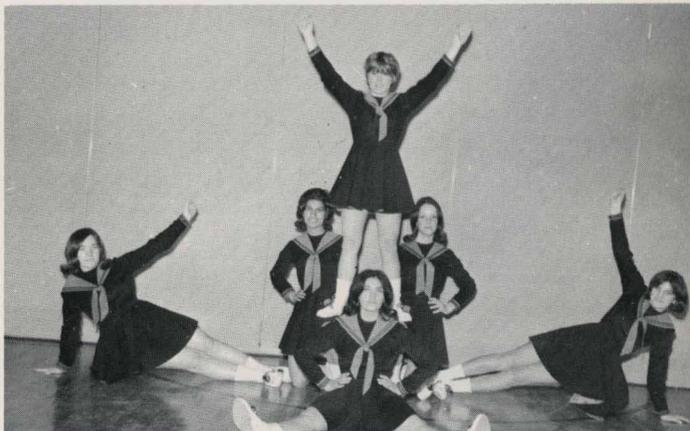

Yvonne Cabral	Senior - Co-Captain
Mary Salvador	Junior - Co-Captain
Floran Menangas	Senior
Diane Brown	Sophomore
Maureen Joseph	Sophomore
Joy Valentine	Sophomore
Evelyn Ward	Sophomore
Beverly Days	Freshman

We cheerleaders find it a pleasure, rather than a task, to cheer, for we know the boys are striving to do their best at all times. With the support of the parents, teachers, student body, and the cheerleaders, we know that the teams will continue to "Score with spirit and sportsmanship."

Cheerleaders seated: Yvonne Cabral, back row: Maureen Joseph, Floran Menangas, Diane Brown, Evelyn Ward, Beverly Days. Mary Salvador and Joy Valentine were absent when the photo was taken.

First row: Anthony Souza, Clarence Santos, David Oliver and Michael Tasha, co-captains; Michael Coelho, Manuel Motta, Leo Gracie. Second row: Paul Boire, assistant coach; Arthur Reis, Kim Rilleau, Anthony

Jackett, Richard Peters, John Peters, Francis Snow, David Murphy, coach. Third row: Michael Rego, John Vasques, William Hendrickson, Michael Santos, manager; Peter Taves, Melvin Joseph, Peter Macara.

## BASKETBALL

With Anthony Souza, Leo Gracie, Mike Coelho, Mike Tasha, David Oliver, and Clarence Santos returning from last year's squad, Coaches David Murphy and Paul Boire hoped to have a successful season. Senior Co-captains Mike Tasha and David Oliver united underclassmen Manny Motto, Richard Peters, John Peters, Roger Prada, Tony Jackett, and Kim Rilleau, with the returning seniors to piece together a 1966 team.

Our first tilt was against Harwich. Despite Provincetown's aggressive performance, inexperience and Harwich's height proved to be too much of an obstacle for Provincetown for we were defeated 57-53.

Provincetown's next contest was against Bourne. With brilliant performances by Manny Motto and Leo Gracie, who scored 18 and 13 points respectively, Provincetown eked out an upset win over Bourne, 58-55.

The Blue Devils of Chatham then came to Provincetown with the hope of winning their first game; however, their hopes of victory were snuffed out when Manny Motto and Mike Coelho together sank 7 out of 9 free throws to clinch a 67-66 win for the Fishermen.

In our next game, the Dennis Yarmouth Dolphins proved to be too much as they downed us by a score of 60-44. Top scorers for Provincetown were: Richard Peters with 12, Leo Gracie with 11, and Manny Motto with 10.

Provincetown then took on the Fishermen of past years in an Alumni game. The height of Segura and Veara, along with the shooting eye of Colley, was too much for the undersized Fishermen to cope with and we were defeated by the Alumni, 69-40. Top scorer for Provincetown was Gracie with 15, and for the Alumni, Segura with 22 and Colley with 17.

Because of a 22 point performance by Gracie, the Fishermen were able to overcome an early deficit to defeat the Nauset Warriors, 68-58.

In our seventh game of the season, against Sandwich, Provincetown took an early lead but could not hold on to it for we were defeated in the last second, 50-48.

Barnstable was our next opponent, and, hoping to avenge the previous week's defeat, the Fishermen went into the game determined to gain an upset win over Barnstable. Through hustle and a balanced scoring attack, Provincetown downed the Red Raiders, 55-52. As the Long Pointer goes to press, the Fishermen have compiled a record of 4 wins against 3 losses.

## TRACK

Track, the forgotten sport at Provincetown High School, is finally making itself known. A few years ago, most of the students of Provincetown High School didn't know we had a track team. Even if they did, would they be willing to admit that Provincetown was defeated 62-3 or 70-11? I doubt it very much.

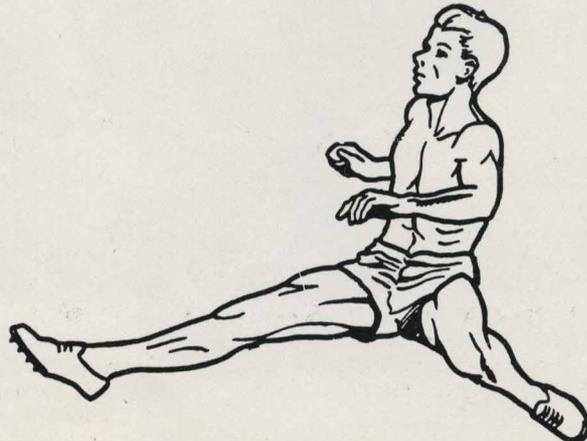

This past year showed improvement. We were defeated, but not by such one-sided scores, and we even won a meet. Our overall record was 1-5, but we did show promise in the Cape Cod Championship and Dennis-Yarmouth Invitational meet. In the Cape Cod Championship we took two first places, one in the high-jump and the other in the mile. We also took many second, third, and fourth places in this meet. One strong second place was won by our pole vaulting division, which set a respectable 8 feet 10 inch record.

This past year Falmouth held a relay carnival in which Provincetown finished third in the high-jump behind much stronger Randolph and D. Y.

Things really look promising this year for we have the chance for a better season and an entry in the state meet in Boston. We have a good shot this year in the high-jump, 440, and 220-yard dashes.

With Mike Coelho, Mike Enos, Kim Rilleau, John Vasques, Manny Motta, Ted Dahill, James Roderick, Anthony Joseph, Larry Silva, Larry Anderson, Michael Berman, Phillip Oliver, John Encarnation, Jimmy Moon, Mike Santos, Joe Carreiro, Peter Macara, Gerard Menangas, and Freddy Rocha making up our team, we should have no difficulty for better records in future years.

# GIRLS' BASKETBALL

Under the direction of Miss Elizabeth DeRiggs, the 1965-66 girls' basketball season looked promising as the many candidates assembled in the gym. With almost the same team returning and the addition of new candidates, the Fisherettes hoped to improve their 1964-65 record of 4 wins and 10 losses.

The season opened when we played host to Harwich on December 7. The Harwich Rough Riders proved to be no match for the speed and accuracy of our girls for we defeated them 60-22.

Our next encounter proved to be less successful as Provincetown bowed to Chatham by a score of 30-28.

Following our defeat by Chatham, Provincetown's next victory was achieved at the expense of D-Y. Playing D-Y on their home court, we won 49-33.

As hosts to our old rival, the Nauset Warriors, we came up with a thrilling victory of 39-28.

Traveling to Sandwich for our next game, we found that last year's champions still had an outstanding team. We were defeated 48-22.

Our next game gave us more hope though, as we defeated the Barnstable Red Raiders 40-32.

The last game of the first half of the season was played at home and ended with the P-town girls the victors over Falmouth by a score of 45-32.

At this time the girls' basketball team has had a successful season. Because we have determination, we are certain that the results of our remaining games will make the 1965-66 season one not easily forgotten.

## BASEBALL

The opening of the 1965 baseball season at P. H. S. promised to be one of the best in recent history; however, the team had to struggle to get off the launching pad. The opening game with Dennis-Yarmouth was lost by an eight to four score. Losses of nine to nothing to Barnstable and a three to nothing no-hit loss to D.-Y. followed. The losing streak increased to five with losses of five to two to Nauset and seven to one to Harwich. Finally, against unbeaten Bourne, the team broke loose. Behind the hitting of Chris Ormsby, who hit a grand slam home run, and Anthony Souza, who hit a two run homer, the Fishermen upset Bourne eleven to four. The next game with powerful Barnstable ended in a six to two Provincetown loss. Chatham became our second win of the season, five to nothing, behind Steve DeRiggs shutout pitching. Our next opponent, Falmouth, fell, three to one, as did Sandwich by seven to five. Undefeated Harwich was our next opponent, but behind strong pitching and good defense Provincetown upset them three to one. Mike Tasha's hitting led us to an eight to five win over Sandwich, and we closed our season with our sixth straight win, six to five over Nauset.

Despite the disastrous start, the team managed to wind up the season with an overall record of seven wins and five losses. In league play, we finished second to Harwich with a five win, two loss record. With the loss of only three starters from last year's team, prospects for a successful season this spring are extremely high.

Albert Moon '66

# SOFTBALL

In the spring of 1965 softball was introduced at P. H. S. Though lacking both facilities and the all important experience, the first year team, under the leadership of Miss Eugenia Robinson went into the 1965 season with determination and high hopes. The team won only one game but the spirit and sportsmanship needed for the game was evident.

Diane Brown, Candy Cabral, Geneva Cook, Roxanne Cook, Cookie Costa, Bianca Ferreira, Kathy Fritz, Mary Fritz, Susan Leonard, Cindy Meads, Gloria Meads, Floran Menagas, Sharon Roda, Yvette Roderick, Yvonne Roderick, Susan Sants, and Yvonne Viscik were members of the team and Alberta DeRiggs and Regis Jason were managers.

With one year's experience and all the players returning, we hope to have a successful season in '66.

## ACKNOWLEDGEMENTS

We, the graduating class of 1966, wish to extend our sincere thanks to Mr. Robert Vantine of the Delmar Printing Company for his competent assistance in aiding our publication of the 1966 Long Pointer.

We are grateful to our many patrons and sponsors, since, without their cooperative spirit, our yearbook would not have been possible.

The members of the class of 1966 wish to express their deepest gratitude to Miss Kathleen Medeiros and Mrs. Phebe Rogers for their devotion to the publication on this yearbook. Because of their competent supervision of the business and literary staffs, we have been able to edit a yearbook of this quality.
