Dedication

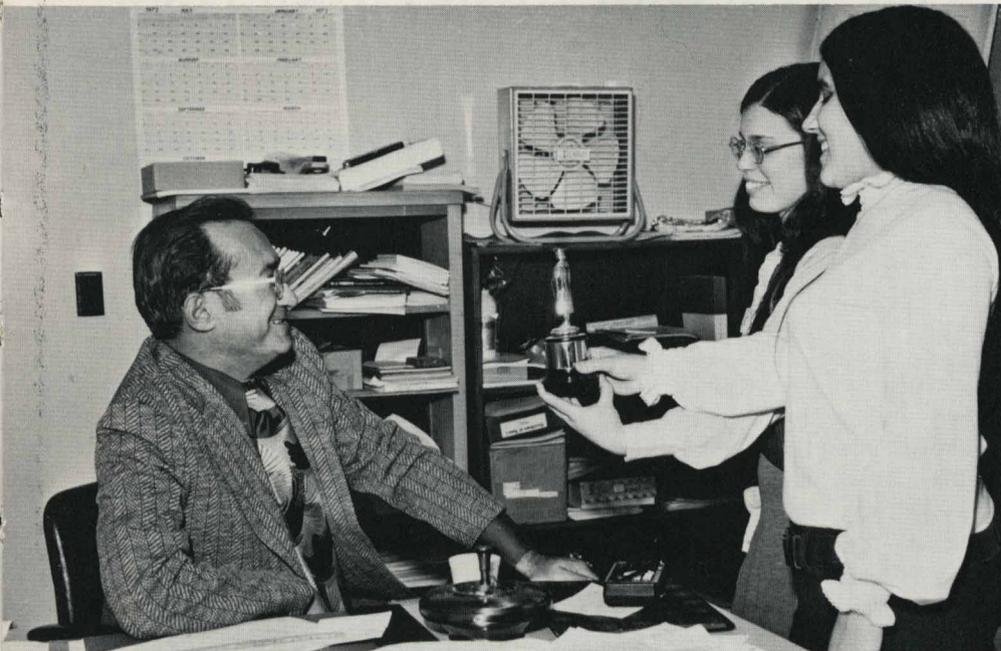

Mrs. Carol Studley has served as our class advisor for two years. During these years, she has unselfishly given her time and ideas as well as her vitality and enthusiasm.

Reverend John Perry has been a strong influence in our lives. He has offered continuous spiritual leadership and a helping hand when we have most needed help.

For their patience, understanding, and encouragement the Senior Class dedicates the 1973 edition of the "Long Pointer" to Mrs. Carol Studley and Reverend John Perry.

To The Class of 1973

My congratulations to you the Class of 1973 on the successful completion of your high school education.

Your commencement and entry into society as individuals comes at a time of readjustment of both man and culture in line with the changes wrought by science, technology, urbanization and industrialization. It is a time when each of you must be able to think about, reflect upon, and adjust to a variety of social, political and economic forces.

Each of you, however, must come to a realization that it is also a time TO DO. It is an exciting time, an opportune time — a time when you, with effort and determination, may realize your greatest expectations.

May you make the effort and give the time not only to do for yourselves, but others as well, and truly play an important role in making the world a decidedly better place for all mankind.

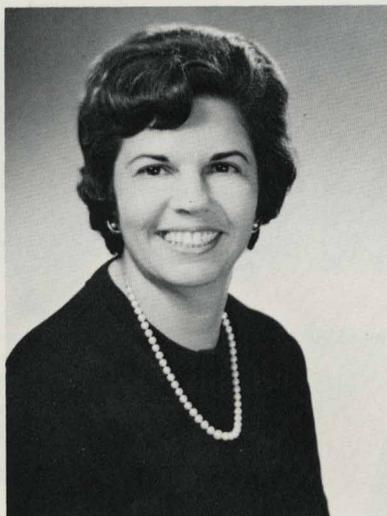

I wish you well. Good luck and Godspeed.

Our Years at Provincetown High

Editorial

Now that we are finally leaving the security of our high school and starting out on our own, we are older and wiser than the day we first came to Provincetown High School. It has been a long, sometimes frustrating, time of our lives, but we have come out of it with new attitudes and experiences. The years in the high school have enriched us with different outlooks, which will be a benefit to us throughout our lives. We are sure that, when we go about pursuing our different goals, the years at Provincetown High School will be remembered as some of our most enjoyable and constructive ones.

SENIOR CLASS HISTORY

With graduation close at hand, we can look back on our past years at Provincetown High School with great warmth and pleasure, and remember all the times we have spent together.

Even though a bit confused on entering the sacred halls of Provincetown High as freshmen, we amassed our troops and elected Thadd Papetsas, President; Melia White, Vice-President; Joanne Gaspie, Secretary; and Denise Santos, Treasurer. For our representatives on the Student Council, we chose Amy Jackett and Christopher Merrill and Vaughn Cabral as alternate. Miss Gloria Taves was chosen as our class advisor.

Undoubtedly, the prime source of excitement for our class during this year was the Freshman Reception. On October 9, 1969, the event finally took place when the senior class sponsored the Freshman Reception, to the theme of "The Wonderful World of Children." After enduring some embarrassment from having to wear bibs all day and promenading that night in the gym wearing bibs and bonnets, we finally became members of P.H.S.

With enthusiasm, we began our sophomore year. Again we chose our leaders: Russell Zawaduk, President; Melia White, Vice-President; Joanne Gaspie, Secretary; and Denise Santos, Treasurer; along with these were Thadd Papetsas, Robert Lisbon, and Robert Brock as our Student Council representatives. Miss Gloria Taves and Mr. Fred Turner were chosen as our class advisors.

Our junior year, although the most arduous, was also the most eventful. To lead us through this important year we re-elected Russell Zawaduk, President; Melia White, Vice-President; Joanne Gaspie, Secretary; and Denise Santos, Treasurer. Amy Jackett, Robert Lisbon, Robert Brock, and Lydia Kelly were our Student Council representatives and Miss Carol Hickey, our class advisor. Aside from assuming the responsibility of managing the concession stand during the home football games, the class seemed to be always busy in making preparations for our Junior Prom, which was a great success with its theme of "Bridge over Troubled Waters."

Having concluded our junior year, we finally became SENIORS, a thought which was quite hard to believe. For this final year, we once again re-elected Russell Zawaduk, President; Melia White, Vice-President; Joanne Gaspie, Secretary; and Denise Santos, Treasurer; we also elected Bobby Brock, Robert Lisbon, Lydia Kelly, Brenda Joseph, Thadd Papetsas, and Nancy Meads as Student Council representatives. Again, Mrs. Carol Studley (nee Hickey) accepted the position as our class advisor.

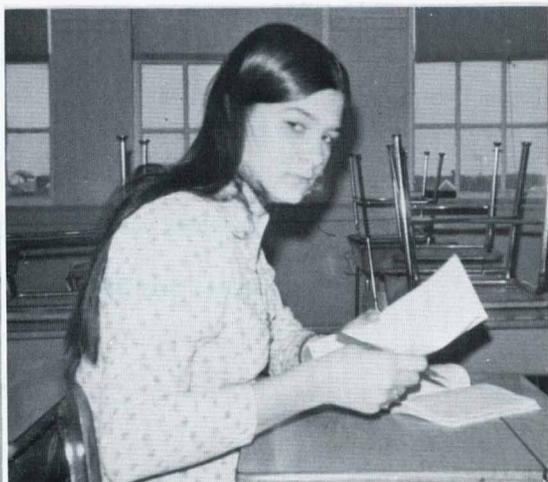

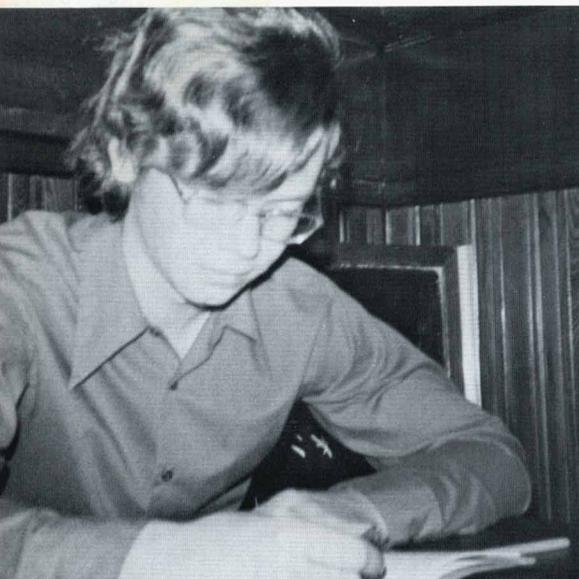

In October, 1973, we sponsored the annual Freshman Reception. To the tune of Mickey Mouse and Disneyland, the slightly confused Freshmen marched with their respective partners until they were finally initiated into our school.

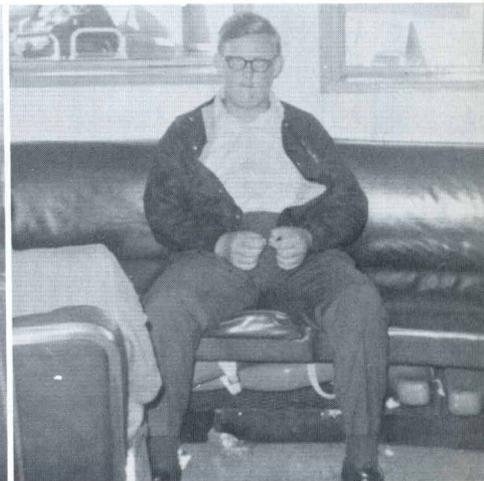

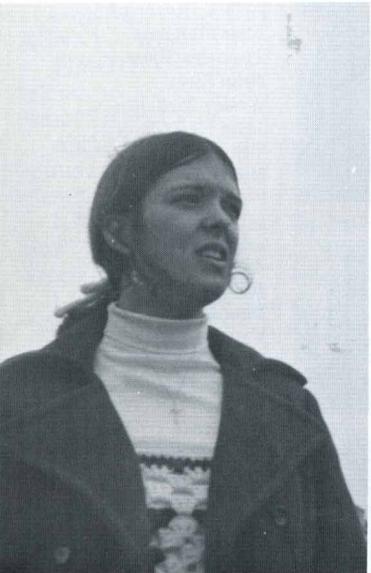

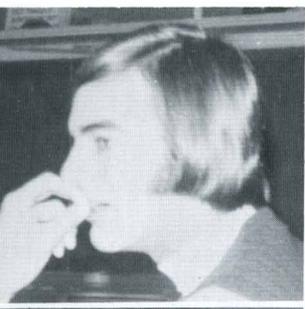

Although the year is not yet completed, we look forward to culminating our school years with the experience and knowledge we have gained at P.H.S.

Junior Prom

On May 20, 1972, the class of 1973 made its formal debut. We chose "Bridge over Troubled Waters" as the theme for the memorable occasion.

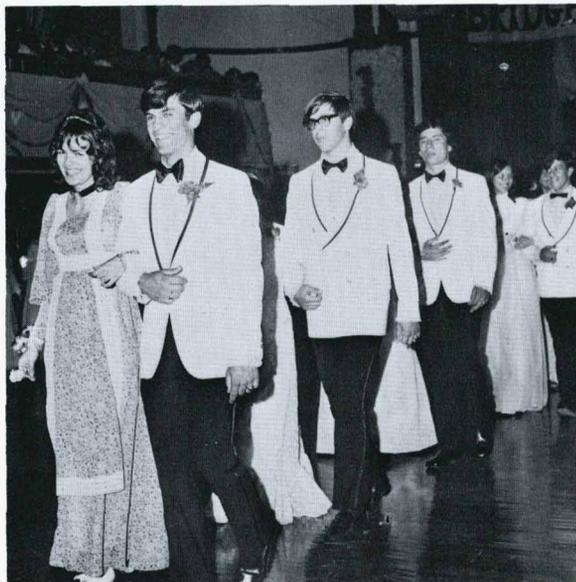

The hall was elegantly decorated in cranberry, pink, and blue crepe paper. Entering through a trellis, the girls descended a flowered bridge to meet their escorts. The V.I.P.'s played our theme song, and the Grand March began. Breaking tradition, our class had voted against having a king, queen, and queen's court. Dancing formed the highlight of the evening.

The girls looked lovely in their long gowns of varying pastel shades; taffetas and silks rustled and glim-

mered in the bright lights of the hall. Each girl put on her best smile and walked tall and straight beside her partner. The boys, in contrast, wore snowy-white evening jackets trimmed with black and their proud countenances added dignity to the Prom. When the march ended, one could not help but be impressed by the occasion. All too soon, it was midnight and the music ended. Our debut was a success, and the evening was one that will not be easily forgotten.

Freshman Reception

It was the brisk twilight of day in late October when the Freshman class embarked on an enthusiastic journey to Disneyland searching for the savory waters of wisdom.

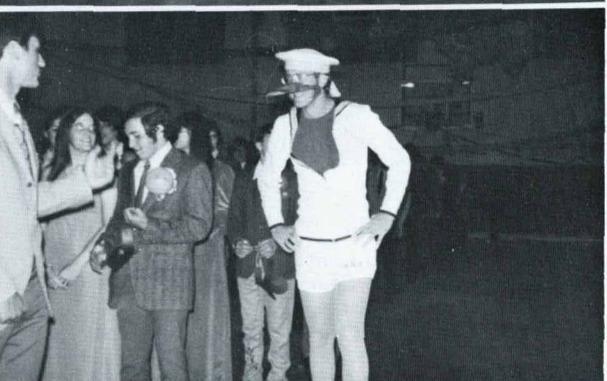

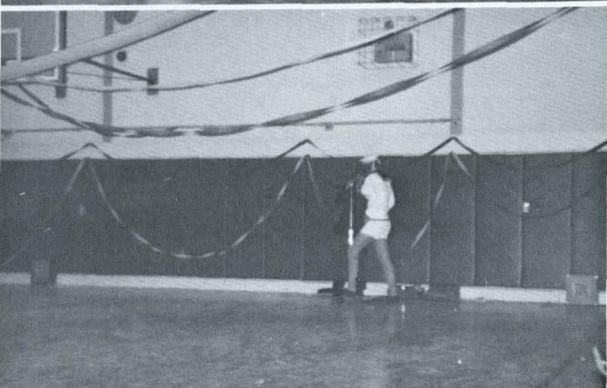

Each explorer had a competent guide, a member of the Senior class, adequately experienced in the art of assisting his freshman through the labyrinth of exploration that would take place this night. Among the provisions were a pair of Mickey Mouse ears, a long tail that bounced and danced, and bright ruby red cheeks.

Nervously, each Freshman clung to the arm of his partner as if blinded by the splendor of the brightly decorated gym. Momentarily blinded and partially hypnotized by the rhythmical cadence of the music, the Seniors began the Grand March which led the Freshman explorers nearer and nearer to the crucial moment of their journey. All too soon the sound of the music was heard no more. Everyone halted. Only the occasional sound of nervous laughter, as the Freshmen awaited their fate, penetrated the silence that followed. Senior Class President Russell Zawaduk stepped forward and with dignity delivered his advice to the Freshmen. A sigh of relief rippled through the gym; then sheer pandemonium of yells, cheers, and whistles exploded as the Freshmen realized that their rampant imaginations were not to be fulfilled.

Ears, tails, rosy cheeks were ripped off and either thrown onto the floor or secretly shoved into a pocket for sentimental reasons.

After the final test, a dance with their Senior partners, the Freshmen dispersed into various groups, proud and determined to assert their new positions in the high school and to drink heartily of the waters of wisdom offered to them by the senior class.

For 1972-1973, the Future Teachers of America, under the guidance of Mrs. Anita Berman, elected the following officers: Melia White, President; Brenda Joseph, Vice-President; Candy Duarte, Secretary; and Dennise Silva, Treasurer.

This year, as in previous years, the F.T.A. members have been given the opportunity to participate in classroom teaching in both the elementary and the middle schools. Many F.T.A. members tutor individual elementary students who need extra help and attention so that they can achieve classroom recognition.

The F.T.A. will sponsor a dance in order to raise money for a scholarship to help to defray some of the expenses of further education. This scholarship will be given to a member of the Senior class.

The F.T.A. remains active during the school year by having a variety of programs for the entertainment of the students and faculty. Some of the F.T.A.'s activities are: raising money by selling candy, organizing assembly programs such as, the Dating Game and a Quiz Bowl Game; hosting a special Appreciation Tea for the faculty and administration of P.H.S., and electing a Teacher of the Year.

The F.T.A. has proved itself to be a very worthwhile organization for it helps students to help themselves and to help others.

The Student Council takes pride in sponsoring the Christmas Dance for it is given to help underprivileged children. In addition, the Student Council supports numerous other activities such as sponsoring school dances, managing the school store, providing a student handbook, offering a drug education program and the acquisition of the treasured music box, all of which provide the students with more social and educational activities.

Under its guidance, the band has become more polished and confident. Now it is up to the town to recognize the members as competent musicians, and offer them encouragement.

P.H.S. Chorus

For the past two years the chorus has undergone considerable change. Under Mrs. Elizabeth Kelley's expert direction, it has progressed from merely singing songs to actually learning and appreciating them. Members are now able to sight read music and carry tunes fairly well; but the greatest improvement is each member's discovery of his voice and his resulting loss of self-consciousness. If the chorus continues to work with Mrs. Kelley, it will become a polished group of singers. The senior chorus members, as well as the underclassmen, have learned very much in these brief two years and are grateful to Mrs. Kelley.

FOOTBALL

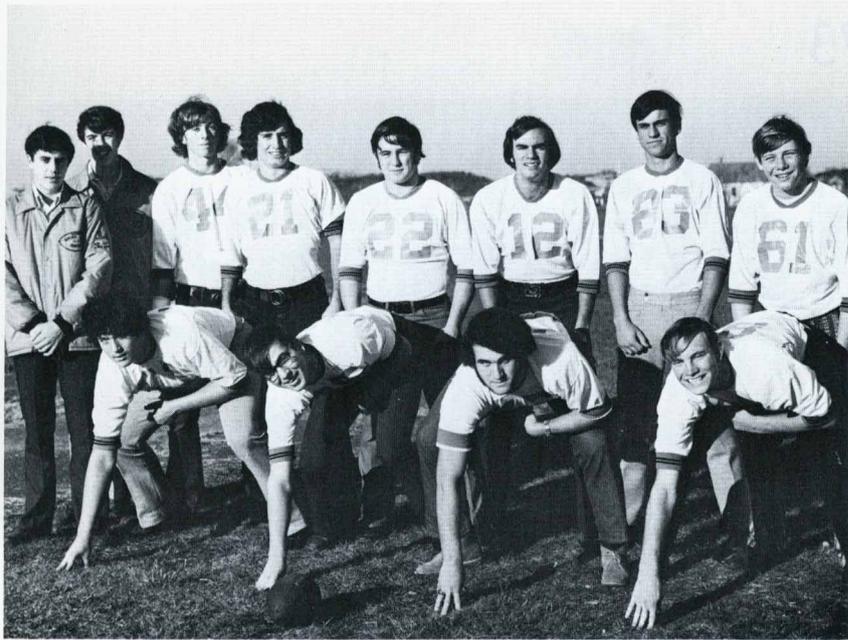

The 1972 football team with a complement of 16 Seniors and captained by Robert Brock, David Perry, and Dennis Rego, did not live up to expectations.

On our bid for the third Mayflower League championship, we were confronted with many problems. Our major problem was coping with inexperience. Because of this we lost our first game which was against Hanover. At our first home game we were welcomed by many fans, but unfortunately, we could not maintain our momentum. As a result, we fell to the Whalers. Next, came League team Bridgewater, and our first victory. Georgetown and Apponoquet were our next opponents and again we encountered two more losses. Our coaches planned strategic plays which brought us two decisive victories over South Eastern Voke and Manchester. Our last two games against Martha's Vineyard and Blue Hills Regional, again spelled disaster for P.H.S. With the loss of the Senior players, it is hoped that next year's team will be able to "fill in the gaps".

As the season passed, we wondered what it would be like to play our last game — Now we know!

With aching muscles, we began the 1973 season with the usual moans and groans of a first practice. Under the fine coaching of Miss Elizabeth DeRiggs, Tri-Captains Nancy Meads, Kathy Reis, and Melia White our team began with high spirits and enthusiastic hopes for a successful season. Unfortunately, the Fisherettes finished in fourth place, with four wins, seven losses, and one tie.

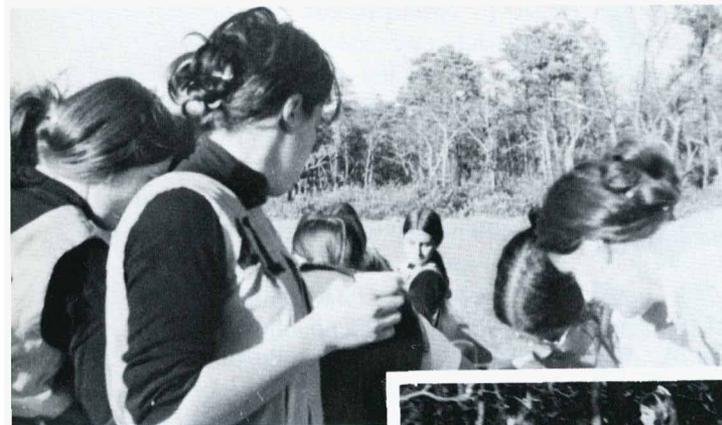

We only hope that next year's team members will be undefeated at the close of the season.

FRONT ROW left to right: Chris Siar, George Dias, Neil Costa, John Silva, Craig Perriera, Chris Hatley. FOURTH ROW: Scott Baker, Barry Carreiro, Kenneth Macara, Robert Grozier, John Roderick, John Dwyer, Russell Scoullar.

The 1972 track season was one which fluctuated from disaster at the beginning of the season to victory near the end. Since only twelve students remained with the team, each member had to do his best. No one expected too much, but P.H.S. proved that it had what it takes by defeating the larger schools, such as Barnstable and Upper Cape Voke.

The overall record was three wins and seven losses, a record that doesn't really do the team justice because the effort and ability were there; only the members were lacking. Hard work is what made Provincetown's track team, but it had more than that. It had spirit and that's what kept it going.

Because of the loss of several senior players through graduation, our opponents faced a young and inexperienced team. We, however, showed great determination and enthusiasm, along with the confidence and guidance given to us by our coach Miss Elizabeth DeRiggs.

This year, by working together, we hope to achieve a successful season with many memories to share.

Having a 4-9 record at this point, it can easily be said, "Wait till next year." With six experienced seniors, three hustling juniors, and three improving sophomores, plus a recent exciting come from behind victory over arch rival Nantucket, the P.H.S. basketball team is not quite ready to hang up their sneakers. We feel, with hustle, desire, and sheer pride, the Fishermen's spirit and determination will be felt throughout the Cape and Island League in the form of head coach Mr. Fred Turner and his troops. With six league games remaining, we hope to provide both excitement for the fans and victory for the team.

Although our team lost three seniors last year, we began our basketball season with an experienced team and hopes for a good season. After weeks of training, our coach, Miss DeRiggs, decided that Debbie Silva, Patty Lisbon, Kathy Reis, Joanne Gaspie, and Nancy DeSilva would be the five players on the starting team.

As time went on, through the many practices we learned to play well with one another, for we are finally working together as a team. It is through the excellent guidance and coaching of Miss DeRiggs that we are having such a successful record this year.

Presently, we are half way through the season, with 8 wins and 3 losses. We are looking forward to the remainder of the season for we hope our record will be even better.

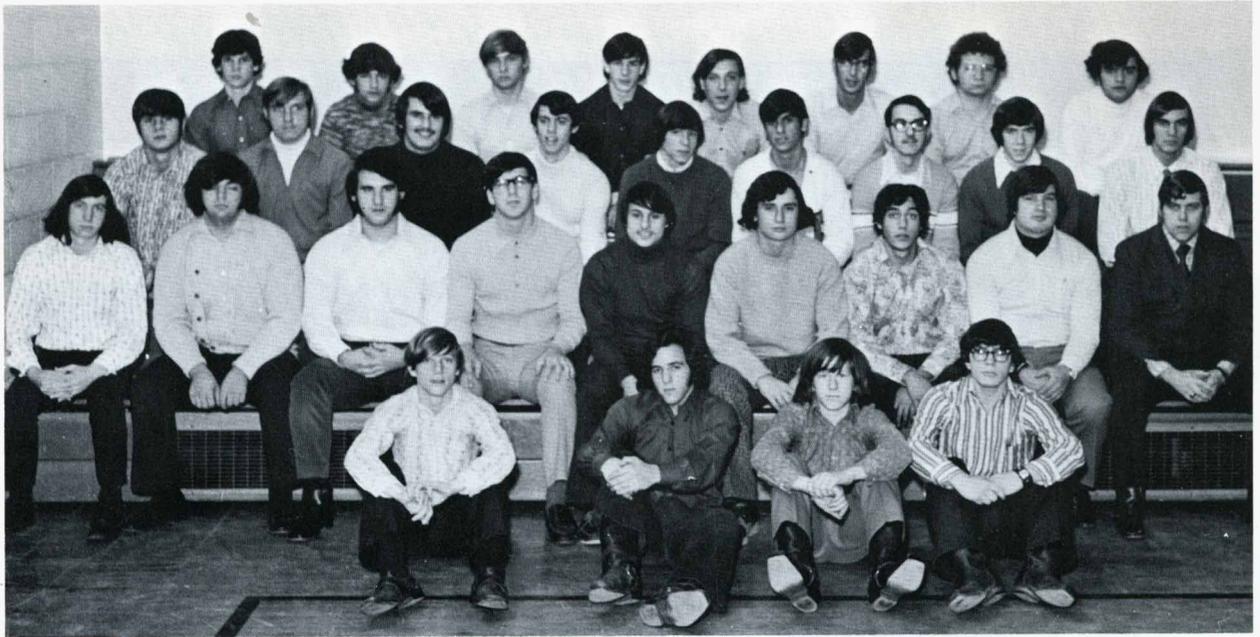

Joanne Gaspie and Kathy Reis, co-captains; Nancy DeSilva and Amy Jackett will be graduating this year and hopefully, another year they will return to watch the team with whom they once played.

Through our practices and experiences in basketball we have been taught to play as a team, respect others, and to be good sports.

Baseball

After being champions of the Cape and Islands' League baseball crown for three consecutive years, the Fishermen had a disappointing year with a record of ten wins and eight losses, good for third place in the Cape and Islands' League. It was also disappointing for first year mentor Mr. Paul Seeley.

The Fishermen's '73 season promises to be a very exciting one. With six returning starters, Coach Paul Seeley and his Fishermen will be out to bring the Cape and Islands' League crown back to Provincetown!

Sailing Club

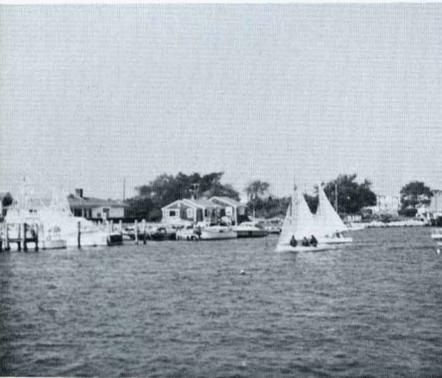

As the September sun rises over the horizon, the colorful sails skim over the glimmering surface of the endless sea. These are the sails of the Sailing Club of Provincetown High School. The potential "Sinbads," the male crew, are as follows: Richard Costa, Larry Meads, Chris Merrill, Commodore, Thadd Papetsas; Carl Sawyer, and the "Sinbadettes," the first female

members of our Sailing Club: Lisa Costa, Joanne Days, Denise Dwyer, and Joady Valentine, with Mr. Edward Dahill as coach.

The most exciting races were at the Falmouth Regatta when Lisa Costa, Richard Costa, and Joanne Days capsized their "Widgeon," but with determination came back to take second place trophy in the morning series. In the Sunfish class the club was proud to have Larry Meads win the first place trophy.

With the fall racing completed and the sails tucked neatly in their casements for the winter, the Sailing Club is looking forward to the arrival of spring when Provincetown will host its own regatta and, hopefully, succeed in winning the trophies offered within our boundaries.

ACKNOWLEDGEMENTS

The Class of 1973 wishes to extend sincere thanks to Mr. Robert Vantine of the Delmar Printing Company for his competent assistance in aiding us with our publication of the 1973 LONG POINTER.

We would also like to extend our thanks to the many sponsors and patrons who have made this publication possible.

Our deepest and most sincere gratitude and appreciation we owe to Miss Kathleen J. Medeiros and Mrs. Phebe S. Rogers for their devoted help in the publication of this yearbook. Without their competent aid, the 1973 LONG POINTER would have lacked the quality which it now has.
